Date of Assessment – Due *Week8b, Friday June 16, 2017*

Outcomes Assessed – H1, H2, H3, H4, H5, H6, H7, H8, H9, H10, H11

There are a number of stages of preparation for this task.

CRITERIA:

This assessment task requires you to submit a portfolio for a **progress report** on your assessment. It is to be presented in either;

- your given Music 1 Composition Diary (yellow cover) or
- a lever folder (with plastic sleeves and hole punched paper etc) or
- an electronic format like a 'blog'.

(Your final Composition Portfolio will be submitted in the Trial HSC in Term 3. Your Composition and recording will be due at the end of Term 3 to BOSTES).

In your Portfolio you need to begin to make decisions about and make detailed, dated comments on;

- the topic it will represent
- the specialisation within the topic
- influences of other compositions, composers (wider research required)
- melodic, harmonic and rhythmic material you want to use
- thoughts, reflections and notations about sound sources/performing media, live performances attended, melodies/riffs/chord progressions played, analysis or heard examples that may be useful inspiration
- analysis of music examples through the concepts
- unity and contrast features throughout
- consideration of the score, notation and recording of the composition
