

# Stage 5 Geography Assessment: CHANGING PLACES

## HOLLYWOOD BLOCKBUSTER AND ORAL PRESENTATION

Through completion of this task, as a student you will:

- **GE 5.2 Explain processes and influences that form and transform places and environment**
- **GE 5.3 Analyse the effect of interactions and connections between people, places and environments**
- **GE 5.5 Assess management strategies for places and environments for their sustainability**
- **GE 5.7 Acquire and processes geographical information by selecting and using appropriate and relevant geographical tools for inquiry**
- **GE 5.8 Communicate geographical information to a range of audiences using a variety of strategies**

**Task Outline:** You are to predict an issue facing a megacity of the future and propose a sustainable management strategy to address this. You will do this by:

- a) completing geographical research that addresses **reasons for increasing urbanisation, effects of urbanisation and predictions for future issues and their management**
- b) creating a **new strategy** to address an **urban issue associated with the year 2150** and evaluating this strategy for its effectiveness and sustainability

You will communicate your **issue (causes and effects) and strategy** in the form of a Hollywood Summer Blockbuster package. This package will be evaluated by an audience of movie critics.

The aims of this presentation are to:

- **Develop audience awareness of an issue and its effects of living in an urban area in the year 2150**
- **Win support from movie critics to have your movie released in the summer**

### Checklist of Task Components:

- DEFINE a problem associated with urban areas in 2150
- DESIGN a series of focus questions to address current urban issues (causes and effects) and management strategies (GE5.7)
- DESIGN a series of focus questions to address future urban issues (causes and effects) and management strategies (GE5.7)
- DISCOVER and record research information and sources (to address the focus questions) in an organised manner (GE5.7)
- DREAM an issue facing a megacity in the year 2150 and a new strategy to address this
- Evaluate the strategy for effectiveness in addressing the issue
- Evaluate the strategy for sustainability
- DESIGN a Hollywood movie package that showcases your understanding (GE 5.2, GE5.3, GE5.5) and comprises:
  - a movie poster
  - a movie tagline
  - a two minute movie trailer
- Refine the Hollywood package
- DELIVER the presentation to the movie critic audience with a supporting oral delivery (GE5.8)
- DEBRIEF by reflecting on the process and presentation

### Due Dates: -

- In **Week 5** of Term 3, you will engage in a reflective conversation with your teacher regarding your task progress
- In **Week 8** of Term 3, you will share your Hollywood package with your audience

### Sample Areas for Problem and Supporting Focus Questions:

<b>Sample Problems</b>	Overpopulation, Waste, Technology, Crime, Natural Resources, Natural Disasters, Anarchy, Viruses, Clash of Ideologies, Class Divisions, Wealth Distribution.
<b>Sample Focus Questions Areas</b>	<ul style="list-style-type: none"><li>• Causes of current urbanisation patterns</li><li>• Effects of current urbanisation patterns</li><li>• Management of current urban issues</li><li>• Predictions of future urbanisation patterns</li><li>• Predictions of future effects of urbanisation patterns</li><li>• Management of future urban issues</li></ul>
