

Assessment Task Notification (Handed out – Friday 11th November, 2016)

All students are asked to sign the teacher's copy to verify this notification has been distributed at least two weeks before the task date.

Course: HSC (Year 12) Biology

Task Number: 1

Date of Task: **Week 8, Term 4: Tuesday 29th November, 2016**
11/12 Biology (Class 1 – Ms Koch): Period 1, Rm 109
11/12 Biology (Class 2 – Ms Koch): Period 5, Rm 109

The task may need to begin early (8:20am) for Period 1 students and finish late (3:35pm) due to shortened lessons for Carol's practice. This will be discussed upon task issue.

Task Value: 25%

Nature of Task: A Practical Task: You will be required to safely complete a first-hand investigation, collect data, communicate this information and your understanding of the investigation by answering associated written questions. The task will be completed during your allocated class time.

The task will relate to area **9.2 – Maintaining a Balance.**

Word/Page Limit: N/A
(plus any penalties applicable)

Other Information: You should focus your study specifically on the enzyme practicals you conducted in class. Be aware; however, that *the exact nature of the task you are asked to complete may differ* from that performed during class.

It is also suggested you revise the Skills syllabus in detail as part of your revision for this assessment.

Outcomes Assessed: H2, H6, H11, H12, H13, H14, H15
