## Assessment Task Notification

**Course:** Year 9/10 Agriculture  
**Teacher:** Mrs. de Jong/Mr. Leach.  
**Task Name:** Practical Skills Planning & Implementation  
Evidence of Practical Learning Folio  
**Due Date of Task:** Monday 23<sup>rd</sup> October 2017  
**Task Value:** 25%

**Nature of Task:**

Students will be required to collect and organise a practical learning folio. Throughout the year students will need to collect photographs of themselves doing practical lessons so they can prove they are capable in practical experiences.

This photographic evidence will be uploaded throughout the year onto Seesaw. Each photograph should have a caption or comment explaining what they are doing in the photograph. Each photograph and comment will be graded and classified by stars.

- 4 stars indicates extensive
- 3 stars indicates thorough
- 2 stars indicates acceptable
- 1 star indicates satisfactory
- 0 stars indicates elementary

The overall grade will be determined by the average amount of stars received throughout the year.

Name: \_\_\_\_\_

### **Outcomes Assessed:**

5.3.1. - investigates and implements responsible production systems for plant and animal enterprises

5.4.3 - implements and justifies the application of animal welfare guidelines to agricultural practices

5.5.2 - collects and analyses agricultural data and communicates results using a range of technologies

5.3.4. Additional - explains and evaluates the impact of management decisions on animal production enterprises

5.6.2 - performs plant and animal management practices safely and in cooperation with others

5.6.1 - applies Occupational Health and Safety requirements when using, maintaining and storing chemicals, tools and agricultural machinery

5.3.2 - investigates and applies responsible marketing principles and processes

5.4.3 - implements and justifies the application of animal welfare guidelines to agricultural practices

## Agriculture Technology Practical Activities. Term 1 Beef Cattle

### Basic

Task	Outcome assessed	Completed	Date
Quietly walk cattle to the yards	5.6.2		
Put enough pressure on cattle to go into smaller holding pens. (Safely)	5.6.2		
Uses correct methods of opening and closing gates so you are always in the right spot.	5.6.2		
Forcing cattle into race safely	5.6.2		
Assisting classmates with walking cattle up the race, safely.	5.6.2		
Release cattle from head bale/crush	5.6.2		
Release cattle from yards into paddock safely	5.3.4		
Catch cattle in the head bale, Safely.	5.6.2		
Apply chin bar while in crush and mouth animals to see their teeth.	5.6.2		
Correctly determine the age of the animal	5.4.3		
Drench an animal with correct dose	5.6.1		
Weigh an animal and record weight	5.5.2		

Name: \_\_\_\_\_

## Agriculture Technology Practical Activities Term 2 Vegetable Gardens

Basic:

Task	Outcomes Assessed	Completed	Date
Use correct tools to turn soil over in preparation for planting vegetables.	5.3.1		
Remove any weeds, rocks or unwanted materials for garden beds.	5.6.2		
Prepare Gardens ready for planting	5.6.2		
Create rows ready for planting.	5.6.2		
Select suitable seedlings from Bunnings for time of year.	5.3.1		
Plant seeds correctly.	5.3.1		
Plant seedlings correctly.	5.3.1		
Mulch, water and maintain garden.	5.3.1		
Use tiller in safe and correct method	5.6.1 and 5.6.2		
Completion of a risk assessment when using chemicals tools and agricultural machinery.	5.6.1		
Identify risks to persons and environment at the school farm/ag plot.	5.6.1		
Harvest plants and sell while keeping track of profits.	5.3.2		

Name: \_\_\_\_\_

## Agriculture Technology Practical Activities Term 3 Sheep and Wool

Task	Outcomes Assessed	Completed	Date
Quietly walk sheep to the yards	5.6.2		
Apply low stress stock handling methods to move sheep through the yards.	5.4.3		
Uses correct methods of opening and closing gates so you are always in the right spot.	5.4.3		
Assisting classmates with walking sheep up the race, safely.	5.6.2		
Draft sheep with drafting gates to split herd into groups.	5.4.3		
Mouth sheep to correctly determine the age of the animal	5.4.3		
Throw a sheep safely to perform hoof paring.	5.3.4		
Drench sheep using correct method and dose of drench	5.6.1		
Identify risk associated with sheep handling	5.6.1

## **YEAR 9/10 Practical Skills Planning & Implementation Evidence of Practical Learning Folio**

### **Marking Guidelines:**

#### **Grade A (Extensive) 19 – 20 marks**

This Practical Learning Folio will show extensive details in all photographic evidence of all practical activities. There will be a clear and extensive description accompanying each photograph indicating what is being achieved. The Practical Learning Folio will be neat and well presented. This student will regularly upload photos to the Seesaw App for approval by the teacher and a grading of “Stars”, throughout the year.

This student extensively performed practical activities related to this task safely and in cooperation with others.

#### **Grade B (Thorough) 17 – 18 marks**

This Practical Learning Folio will show thorough details in all photographic evidence of all practical activities. There will be a clear and thorough description accompanying each photograph indicating what is being achieved. The Practical Learning Folio will be neat and well presented. This student will regularly upload photos to the Seesaw App for approval by the teacher and a grading of “Stars”, throughout the year. This student thoroughly performed practical activities related to this task safely and in cooperation with others.

#### **Grade C (Acceptable) 14 – 16 marks**

This Practical Learning Folio will show acceptable details in all photographic evidence of most practical activities. There will be a clear and acceptable description accompanying each photograph indicating what is being achieved. The Practical Learning Folio will be reasonably well presented. This student will upload photos to the Seesaw App for approval by the teacher and a grading of “Stars”, throughout the year. This student performed practical activities related to this task to an acceptable level safely and in cooperation with others.

Name: \_\_\_\_\_

**Grade D (Satisfactory) 11- 13 marks**

This Practical Learning Folio will show satisfactory details in all photographic evidence of most practical activities. There will be a description accompanying each photograph indicating what is being achieved. This student will attempt to upload photos to the Seesaw App for approval by the teacher and a grading of “Stars”, throughout the year. This student satisfactorily performed practical activities related to this task safely and in cooperation with others.

**Grade E (Elementary) 0 – 10 marks**

This Practical Learning Folio will show some photographs providing evidence of some practical activities. There may be a limited accompanying descriptions of photos. This student will attempt to upload photos to the Seesaw App for approval by the teacher and a grading of “Stars”, throughout the year. This student performed practical activities related to this task safely demonstrating a limited cooperation with others.
