22nd August 2016

Dear Parents,

We now have enough players to participate in the HRIS Soccer Gala day next Tuesday 30th August. We will be entering one team in the year 3/4 competition and one team in the year 5/6 competition. As stated in the previous note sent out, due to the competitions being played at separate grounds we are unable to transport the students with a bus. However, we have had a number of parents offer to take students down for the day.

What to bring:

Food: There is a canteen available at both venues, however I would suggest that you take morning tea, lunch and a drink as well.

Uniform: Students will play in their school sports uniform and wear green socks with white rims (which are available for purchase at Rose Cottage, Brisbane St Campus for \$5) and will also need to wear shin pads and boots.

Coaches:

Thank you to Mr Tim Thompson who has offered to coach the Junior team and to Mr Daren Burke who has offered to coach our Senior team.

Travel:

I will call each parent who is transporting students and let you know which students you are taking.

Venues:

As mentioned in the previous note, the Junior team will play at Adamstown Oval, Adamstown and the Senior team will play at Maitland Park, Maitland.

If you have advised that you can take students, you will need to email me at tim.ocallaghan@calrossy.nsw.edu.au and indicate that your car is registered and insured as this is a school requirement.

If you require any further details, please feel free to contact me at the email address above or on 0409650856.

Kind regards,

Robert Black
Head of Primary

Tim O'Callaghan
Sports Coordinator
