31<sup>st</sup> March 2017

Dear Parents

Congratulations! \_\_\_\_\_ has qualified to compete in the HRIS Cross Country at Avondale College, Cooranbong on Thursday 4th May 2017 (Week 2 Term 2). Please advise the school by Wednesday 5<sup>th</sup> April if your child is unable to compete as this will allow another child a place in the squad.

The Primary carnival starts at 12:45pm and all competitors are required to walk the course before the race. The carnival and presentation will conclude at approximately 4pm. It is parent's responsibility to transport their own child to and from this carnival.

Students will need to wear full sports uniform – clearly identified with their name. A school singlet is also available to be worn which will be handed out prior to the day. Clothes for all weather conditions and a change of clothes should also be taken. Don't forget to include hats, sunscreen and water bottles.

There will be a canteen operating on the day but please pack a snack, lunch and a water bottle.

Competitors will have identification written on their skin with a marker. Please let us know if your child has an allergy to this. Following these championships the Hunter Region Independent Schools Cross Country teams will be selected. The Primary team will consist of fifteen (15) competitors per age group that will compete at the NSW Combined Independent Schools (NSW CIS) Championships on Thursday 15<sup>th</sup> June 2017 at Eastern Creek Sydney with the exception of the 8's and 9's who will be combined. This age group will be based on times from the HRIS Cross Country day.

There will be Calrossy staff members in attendance at the HRIS Carnival. If there is any reason your child cannot compete on the day, please call my mobile 0409650856 before 7:30am. Students will need to meet Mr O'Callaghan on the day at the Calrossy tent to get their names marked off. **Please read the risk warning, complete the permission note and return it to school by no later than Wednesday 5<sup>th</sup> April 2017. No late notes will be accepted.**

**RISK WARNING UNDER SECTION 5M OF THE CIVIL LIABILITY ACT OF 2002**  
**EXTRA CURRICULAR ACTIVITIES**

Calrossy Anglican School participates in a variety of extra-curricular activities, including excursions both interstate and in the local region. While Calrossy Anglican School takes measures to make the activities as safe as possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these excursions.

Injury can occur while the student is engaging in or watching an extra-curricular activity, or travelling to and from the event. The injury may result from a student's actions or the actions of others. On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). In very rare cases the injury can be life threatening or result in permanent disability. If a student has a pre-existing injury, participating in one of these activities could result in an exacerbation of that injury. Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.

**PERMISSION NOTE**  
(to be returned to Reception by 5<sup>th</sup> April)

I, \_\_\_\_\_, give permission for my child, \_\_\_\_\_, to travel to Cooranbong to participate in HRIS Cross Country on the 4<sup>th</sup> May 2017.

I understand that travel will be by private car and that this excursion will include activities that may involve inherent risks, even though the school takes measures to minimise these.

I have read and understood the risk warning printed above.

My child's health status, including any dietary requirements, has not changed since the beginning of the year (or if it has, I have informed the school Health Centre in writing).

I understand that if my child's behaviour is unacceptable on this excursion the school has the right to send him/her home at my expense.

If any upsetting news or information needs to be communicated to my child, I acknowledge that this needs to be first discussed with the Head of Primary so that this situation can be appropriately managed and unnecessary impact on the excursion can be minimised.

I note that:

- If the permission slip is not returned by the due date, the school will presume that my child is not attending. Late admission to the excursion will only be possible if there is still room regarding transport, accommodation or other activity bookings.
- If I return the permission note and my child later withdraws from the excursion, the school may charge parents for booking, accommodation and transport costs which are not refundable.
